

# LEGISLATIVE SCORECARD 2024 FLORIDA SESSION

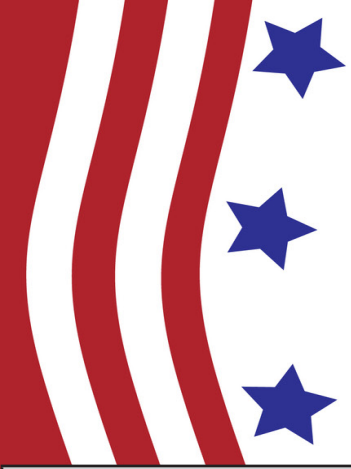

BILL NAME	BILL DESCRIPTION	CHAMBER SUPPORT	BILL OUTCOME
SB 280 Vacation Rentals	This bill addresses short-term vacation rentals and barely passed the Florida House. It aimed to adopt new regulations on rental platforms like AirBnB and Vrbo.		Passed
HB 49 Employment	Removed certain employment restrictions for minors aged 16 and 17. It revised the age at which certain employment restrictions apply and provided for waivers of specific restrictions.		Passed
HB 267 Building Regulations	It required the Florida Building Commission to modify provisions in the Florida Building Code related to replacement windows, doors, or garage doors.		Passed
HB 433 Employment Regulations	Prohibited political subdivisions from maintaining a minimum wage other than the state or federal minimum wage.		Passed
HB 1503 Citizens Property Insurance Corporation	This bill amended certain insurance requirements. The proposed amendments affect flood insurance, market equalization surcharges, coverage provisions, defining related terms, and altering the responsibilities and powers of the corporation's executive director. It requires policyholders to have flood coverage and the association to levy equalising surcharges under specific situations. Several provisions target personal lines residential risks coverage. The bill also calls for quota share primary insurance in certain policies and proposes changes regarding take-out offers and applications to participate in depopulation. It further covers the submission and management of deficits and eligibility rules for applicants and policyholders applying for new coverage and renewals.		Passed
HB 7073 Taxation	HB 7073 dealt with taxation matters. However, it is recommended to check official legislative sources for the most up-to-date information on this bill.		Passed
HB 1149 Policy Cancellations and Nonrenewals by Property Insurers	HB 1149 focused on policy cancellations and nonrenewals by property insurers.		Died in Second Reading Calendar
HB 1079 Coastal Construction and Assessments	This bill would have amended Florida State laws and was focused on regulations for coastal construction, excavation, zoning, and building codes. It had specified that only those coastal counties and municipalities that have received written authorization from the Department of Environmental Protection by a certain date can establish construction zoning and building code exceptions to coastal construction control lines.		Died in Agriculture & Natural Resources Appropriations Subcommittee
