

WHY JOIN THE CHAMBER?

For nearly 100 years the Daytona Regional Chamber has been a leading voice for business in the Volusia County region. Our membership of over 1000 businesses is diverse and representative of our community. Governed by a Board of Directors of local business and organizational leaders, we represent a variety of industries, sizes of business and geographic locations throughout the greater Daytona Beach region. **Advocacy** is the cornerstone of our Chamber and is why we are looked upon as the “**Chamber of Influence.**”
