

We Noticed Award

This award is presented to a member business by our Ambassadors who has made noticeable improvements to their property/business.

How is a business nominated?

Simply complete the form below and send “before and after” pictures of the business to show the work that has been done. Businesses are encouraged to self-nominate for this recognition.

What happens if I am chosen for the award?

You will be notified by the Chamber and our Ambassadors will schedule a time to come over and present the award to you.

What is the award?

You will be “loaned” our “We Noticed Sign” to place at your business for up to 30 days. You are responsible for the sign and will need to ensure that the sign is kept in a safe place when the business is closed. We will pick up the sign at the end of 30 days. We encourage you to put this in a visible location so people passing by can easily see this recognition.

How is the award publicized?

A photo is taken with the owners of the business with our Ambassadors presenting the award. The photo is sent to all media outlets, placed within Chamber communications and promoted through our social media networks.
