STATEMENT ABOUT THE VOTER GUIDE

The Daytona Regional Chamber offered each candidate running for office in the State or a local race to have the opportunity to complete a questionnaire on topics important to businesses. You will find a link to read the responses to these questionnaires underneath the name of the candidate if they responded.

You can also use this QR Code to view responses to the candidate questionnaires.

Additionally, the Daytona Regional Chamber conducted interviews for the State races and have endorsed candidates based on a scoring system. For the Primary Election, the Daytona Regional Chamber has only endorsed State candidates. For the General Election, you will see an endorsement for the offices of Volusia County Council, Daytona Beach City Commission, and Volusia County School Board.
