INTRODUCTION

On behalf of the Daytona Regional Chamber of Commerce, thank you for choosing to engage with our 2026 Voter Guide.

An informed electorate is the foundation of a strong community. This Voter Guide is designed to provide voters with an opportunity to learn about each candidate seeking public office. Each candidate has been given the opportunity to respond to the same set of questions regarding their background and priorities.

Candidate responses are published as submitted with edits limited to formatting. Inclusion of candidate responses is **NOT** an indication of an endorsement. Endorsed candidates will be specifically denoted with an “Endorsed By” emblem.

We encourage voters to review all submitted responses and visit candidate websites to learn more about those seeking to represent them in public office. We also encourage you to participate in the electoral process and your vote plays an important role in shaping our community.

For questions, please contact Drake Wyman, Advocacy Director, at 386.255.7174 or drake@daytonachamber.com
