SMALL BUSINESS OF THE YEAR

DAYTONA ESCAPE ROOM EXPERIENCE

Founded in 2016 by lifelong Daytona Beach resident Mike Babic, Daytona Escape Room Experience has grown into one of Volusia County's premier immersive entertainment destinations. Over the past decade, the locally owned business has welcomed more than 160,000 guests and now features eight original escape room experiences designed to encourage teamwork, communication, creativity and problem-solving. With a 4.9-star Google rating and more than 1,400 reviews, the company has built a reputation for exceptional customer service and memorable experiences.

Daytona Escape Room Experience continues to grow through innovation and a commitment to its community. The company is developing a second downtown Daytona Beach location and has launched ThePropSite.com, an online marketplace supporting independent prop builders, artists and manufacturers. It also created The PropCon, a new convention celebrating creativity and designed to attract vendors, visitors and nationally recognized artists and special effects professionals to Daytona Beach. These ventures reflect the company's philosophy of creating opportunities while contributing to the continued growth of the local economy.

Community involvement is at the heart of Daytona Escape Room Experience. The company regularly partners with local businesses, schools, nonprofits, tourism organizations and Chamber members and donates gift certificates to nonprofit fundraising events and auctions throughout Volusia County. Through strategic growth, creative innovation and a commitment to exceptional experiences, Daytona Escape Room Experience continues to invest in its guests, its partners and the community it proudly calls home.
