BZ Mailing Services Celebrates 30 Years of Service

FOR IMMEDIATE RELEASE

BZ Mailing Services, Inc. announced its 30th anniversary as a full-service direct marketing company.

Established in 1991 by Ray Briggs and Kim Zechnowitz, the company has been providing local, national, and international customers with direct mail production, digital printing, email marketing and fulfillment services.

“We are proud to have served our customers for the past three decades.” said Mr. Briggs. “We look forward to continuing to provide the same quality services for many years to come.”

Originally founded as a data entry and mailing list company, the firm has grown to include high-speed addressing, digital printing, email marketing and fulfillment services. BZ Mailing Services continues to stay up to date on the ever-changing rules of the United States Postal Service.

The company plans several promotions for customers throughout the year.
