

FOR IMMEDIATE RELEASE

Sounds of the Atlantic Chorus, Atlantic High School, Port Orange, Florida

Sounds of the Atlantic Chorus has been selected to perform at prestigious Carnegie Hall in New York City in March of 2019. The choir is now under new direction by Mary LaGesse Morrow, who holds her Master's in Music Education Degree from the Florida State University.

In 2-1/2 years under Ms. Morrwo's direction, the choir has risen to earn Superiors at District and State Music Performance Assessments. They are the only school in Volusia County to be invited to sing at Carnegie Hall. The students have worked very hard in their fundraising efforts and they are hoping with the combination of their efforts and the generosity of philanthropic individuals and organizations that they will be able to realize their dream of getting to Carnegie Hall. The \$1500 per student prices tag is steep.

Should you like to contribute to a life long learning opportunity and an unforgettable music education experience, please consider making a tax deductible donation to the Atlantic high School Chorus, Attn: Mary Morrow. All donations are tax deductible.
