General Manager, Jeff VanDiver, stated, "Every year we try to create a way to show our collective appreciation for emergency responders and the ultimate sacrifices they made on September 11th and continue to make every day. Although summer may have officially ended in other parts of the U.S., we continue to have summer-like weather here in Daytona Beach well into the fall months. By offering the "911" and HERO rate specials we hope our community heroes will take time and enjoy our beach, the weather, and relax with us."

Emergency Responders can expect to enjoy unlimited beach and pool access, Wi-Fi, daily grab and go breakfast, and free parking when staying at the Comfort Inn Daytona Beach Oceanfront. Local events for vacationers the weekend of September 11th include the Friends of the Bandshell Concert on September 12th featuring a Billie Joel Tribute Band, and featuring a Led Zeppelin Tribute Band on September 19th. Admission is \$2.00 and includes a chair that will be provided. Tickets and event details can be found [here](#).

VanDiver added, "The coronavirus pandemic left many travelers with canceled vacation plans this past summer. Our resort is fully open, and we are following best practices for sanitation and cleaning as recommended by the Center for Disease Control (CDC). Those heroes who continue to work through the pandemic we hope will consider taking some time off this coming weekend. We wanted to offer special promotional rates to allow anyone who needs a late-summer vacation the opportunity to take one. Being footsteps from the beach, it's easy for guests to take full advantage of our beach for as little or as long as they like during their stay. If you're flying in, you don't even need to rent a car. There are several ride share services that offer transportation from the Daytona Beach Airport to our hotel. If you haven't stayed with us yet this year, now is a great time to visit the beach!"

Vacationers with a valid Florida drivers license can also take advantage of the current Florida Resident discount of 20% off best available rate* with a 2-night minimum length of stay. Reservations can be made by calling the hotel directly at 386-252-2378 and mentioning the rate code LRESID or [booking online](#). This rate is valid both weekend and weekdays, based on availability, not valid over special events, cannot be combined with any other discounts. VanDiver explains, "With school starting back up all over the state, it might be a great time to give parents a break. Allow your kids to go to school virtually, from the beach! Or if you're still working remotely, our free Wi-Fi can help make any room your office! Don't miss out on a chance to take a quick trip."
