### **Solar-Fit Recognized as a 2018 Top Solar Contractor in Florida**

*The Solar Power World Top Solar Contractors list includes Daytona Beach-based solar firm Solar-Fit.*

Daytona Beach, Florida—More than 10,600 megawatts of solar power were installed last year in the United States, and local installer Solar-Fit has been recognized by [Solar Power World](#) magazine for its contributions to the industry. This is the 6<sup>th</sup> consecutive year Solar-Fit has made the magazine's Top Solar Contractors list.

The [Top Solar Contractors list](#) is developed by *Solar Power World* to recognize the work completed by solar contractors across the United States. Produced annually, the Top Solar Contractors list celebrates the achievements of U.S. solar developers, subcontractors and installers within the utility, commercial and residential markets, and ranks contractors by kilowatts installed in the previous year. The 2018 list was released on July 24.

"*Solar Power World* is very excited about the 2018 class of Top Solar Contractors," said Kelly Pickerel, editor in chief of *Solar Power World*. "We're happy to feature a strong group of thriving U.S. solar installers on the 2018 Top Solar Contractors list. These companies truly are at the top of their markets."

Solar-Fit, "America's Solar Team", is an Elite Sunpower dealer providing homeowners and business owners professional design and installation services of the highest efficiency solar modules on the planet.
