## **Halifax Humane Society Competing for \$100,000 in Cash Grants**

*Community comes together to help local shelter win online Shelter Challenge contest*

Daytona Beach, FL: The Animal Rescue Site and GreaterGood.org are giving away thousands in grants to eligible shelters across the country in a new Shelter Challenge contest, and Halifax Humane Society is eligible to win.

The New Beginnings Shelter Challenge is a major contest that will give \$100,000 in cash grants to eligible shelters that win the most votes in a variety of categories and photo contests. The coveted Grand Prize is a \$25,000 grant to help animals, and there are over 50 other grant prizes ranging from \$1,000 to \$5,000 each. Every participating shelter has an individual contest page that visitors can share via social media, and where they can vote every day. Visitors can also register for an account to support their favorite shelter in other ways, get emailed notifications about new contests, and to become eligible for a Sweepstakes prize.

Halifax Humane Society can utilize all and any funds we receive from third parties for the care and benefit of our community's animals. This is a great opportunity for the community to simply vote daily so the grant can be awarded to HHS.

"Every little bit helps us care for just one more animal who needs a forever home. With the help of our community, we can win the \$25,000 grant and provide that many more spay/neuter procedures, behavioral rehabilitations, and so much more", said Pam Clayton, Chief Financial Development Officer.

Strong community support makes all the difference in Shelter Challenge contest, ensuring that all shelters, regardless of size and location, have a chance to win. To take part, visitors can go to the Shelter Challenge website (<https://www.shelterchallenge.com>) and vote for their favorite shelter every day.
