

Southern States Management Group Celebrates 31st Anniversary Awarding GOAT Award

PALM COAST & DAYTONA BEACH, FL (Tuesday, November 10, 2020) – Southern States Management Group, Inc., (SSMG), a “lifestyle management” firm serving Volusia and Flagler County communities, celebrated their 31st anniversary this past October. Managing over 15,000 local homes in the area, SSMG is proud of their three decades in the community and enjoyed a day of celebration of their employee’s dedication.

This year, the leadership team implemented the *Greatest of All Time (GOAT)* Award. Employees nominated a fellow co-worker who goes above and beyond, who is always willing to support and who demonstrates the positive qualities of a SSMG team member. Valerie “Cissy” Steger was awarded the *GOAT* Award for 2020 receiving a traveling trophy. Cissy also received her license in Community Association Management in October 2020. Congratulations, Cissy!

And, congratulations to Carsten Georg who became a Licensed Real Estate Agent in October 2020 and Coleen Washington who is also now a Licensed Community Manager.
