“Surfing is a great confidence and team-building activity,” stated Robert Burnetti, General Manager of The Shores Resort & Spa, “Whether you are a family or a corporate group - there are a lot of benefits of learning a new sport together on the sun-soaked beach.”

The Shores Surfer package includes overnight accommodations and a 90-minute surf lesson. The number of participants in the surf lessons can be selected on the booking page at <https://www.shoresresort.com/special-offers/surf/>.

“Surfing is a sport that combines patience, balance, and timing,” stated Ryan Ragan, “It’s so much fun, students don’t realize how much energy and focus they are committing to the activity. It’s a great way to exercise without realizing it and a wonderful way to reconnect with friends and family and even co-workers.”

Born and raised in Daytona Beach, FL, Ryan Ragan began surfing as a young boy. His career took him on the International Professional Surfing circuit and the WQS ASP Surfing World Tour, where he competed all over the world. In 2014, Ryan returned to Daytona Beach and opened Vast Ocean Surf Company, a surf and stand-up paddle board shop. Ragan’s lessons focus on style, technique, fun and safety. His youngest student has been three and his oldest 75. Vast Ocean Surf Company is one of the highest rated surf and paddle board Schools in North and Central Florida. Students return year after year, learning new skills and enjoying the experience.
