THE GREENERY, INC PROMOTES MELISSA BROCK

HILTON HEAD ISLAND, S.C. – The Greenery, Inc., the region’s premiere landscape company, announces the promotion of Melissa Brock to the position of Director of Business Development. In this new position, Brock will be responsible for overseeing the business development team. Her main focus will be to continue to build relationships with clients to generate opportunities for company growth in all markets served by The Greenery, including Hilton Head Island, Bluffton, Beaufort, Savannah, Greenville, Daytona, and surrounding areas.

“Melissa is someone that every company wants working for them – she’s dedicated and driven and strong in customer relations,” says Lee Edwards, CEO of The Greenery. “We are excited to have her bring new business to our growing company.”

Brock has been with The Greenery for 10 years.

ABOUT THE GREENERY

The Greenery, Inc., an employee-owned company, has served Hilton Head Island, Bluffton, Beaufort, Savannah, GA and Charleston, SC for many years. Recently, The Greenery started operations in Greenville, SC and Daytona, FL. Since 1973, The Greenery, Inc has provided comprehensive landscaping services, including residential and commercial landscape installation and maintenance, hardscapes and irrigation. For information about The Greenery, Inc., visit www.thegreeneryinc.com, (843)785-3848 or follow them on Facebook.
