KEN THOMAS NAMED CHIEF OF OPERATIONS FOR THE GREENERY, INC.

HILTON HEAD ISLAND, S.C. – The Greenery, Inc., the region’s premiere landscape company serving Northern Florida, the Greenville area, the Lowcountry and Savannah, is pleased to announce the promotion of Ken Thomas to Chief of Operations. An industry veteran, Thomas exhibits a wealth of industry knowledge and executive level experience.

Over his 30-year career, Thomas has owned and operated three successful landscape companies including Scapes Group in Atlanta, one of Americas top 150 Companies. He is a longstanding member of NALP/ACLA and past president of the Metro Atlanta Landscape and Turf Association. Thomas has worked with The Greenery since 2016 as an advisor, consultant, trainer and most recently as VP of Maintenance Operations.

“Ken is a natural leader with an impressive background in the landscape industry,” says Lee Edwards, CEO of The Greenery. “With his expertise and leadership experience, we are confident that he will continue leading The Greenery in the right direction.”

In addition to his leadership role at The Greenery, Ken and partner Ben Gandy, will continue to support and promote the landscape industry as principals of Envisor Consulting. Envisor helps business owners and leaders to be able to “Envision and Achieve” their greatest success.

ABOUT THE GREENERY

The Greenery, Inc. is an employee-owned company serving coastal Georgia and Florida and regions throughout South Carolina. Since 1973, they have provided comprehensive landscaping services for commercial and residential landscape installation and maintenance, hardscapes and irrigation. For further inquiry about Ken Thomas or information about The Greenery, Inc., visit www.thegreeneryinc.com or call (843) 785-3848.
