

The Daytona Regional Chamber of Commerce offers a **FREE** Discount Health Savings Card for you and your family. This card is available to everyone. Simply enter your name on the card attached. Receive up to 75 percent off prescriptions, with average savings around 30%. The program also includes discounts on prescription eyeglasses, hearing, nutritional supplements, diabetic supplies and more. All prescriptions processed through the program are confidential.

FREQUENTLY ASKED QUESTIONS

For specific questions relating to individual insurance plans, call the United Networks of America Customer Service hotline number at (800)726-4232. This program is made possible through a partnership with United Networks of America.

Q: How do I use this card?

A: Take the card to the pharmacy with your prescription to be filled and when processed with your prescription, you will receive discounts on your prescriptions up to 50% on brand name drugs and up to 74% on generic drugs. General discounts will average 30%.

Q: Will the free drug card help with my co-payments?

A: No, this card can only be used alone, not in conjunction with any other plan. However, it can be used if your plan does not cover the prescription you require.

Q: Can I use this card in conjunction with my insurance?

A: Yes and no. this card will not lower your insurance co-pay; however it can be used to cover non-formulary medications (medications not covered by your health plan).

Q: I have a Medicare Part D Plan; how can this help?

A: The card can also be used as a Medicare Part D supplement by providing discounts on non-covered drugs.

Q: I need to find out if my medication is one of the drugs that you cover.

A: Almost all medications are covered through this program. Please refer to the website for specific medication and pharmacy location questions or call 1-(888)-321-6755.

Q: How can I find out how much of a discount I will receive on my medication?

A: By clicking on medication pricing on the website or calling 1-(888)-321-6755.

Q: Are the prices on your website before or after the discount?

A: This is the price that you will pay after the discount.

Q: Your website says I should have paid \$7.00 and the pharmacy told me my prescription is \$170.00. Why?

A: Please check the quantity that you entered when pricing your medication. You must enter the number of pills in the prescription to receive the correct pricing. If this doesn't fix the price difference, please have the pharmacy contact 1-(888)-321-6755.

Q: My pharmacy told me that I need to call and activate this card.

A: These cards are pre-activated and ready to use immediately. If the pharmacy has trouble with the card, please have them call 1-(888)-321-6755.

Q: I tried to use my card at Costco, and they told me that they Group Number is not good.

A: Have the pharmacy call 1-(888)-321-6755 while you are there, and they can help them process the card.

Q: My pharmacy is listed on your website, but when I took the card there, they said they have never heard of this card.

A: If no one has previously presented the card at your pharmacy, they may not be familiar with it. They just need to enter the information into their system from your card and it will trigger the discounts.
